

A building for all the community

As well as serving as a base for our scouting activities, the hut will be available as an outdoor education and environmental wellbeing centre for all those interested in outdoor activities

Our vision

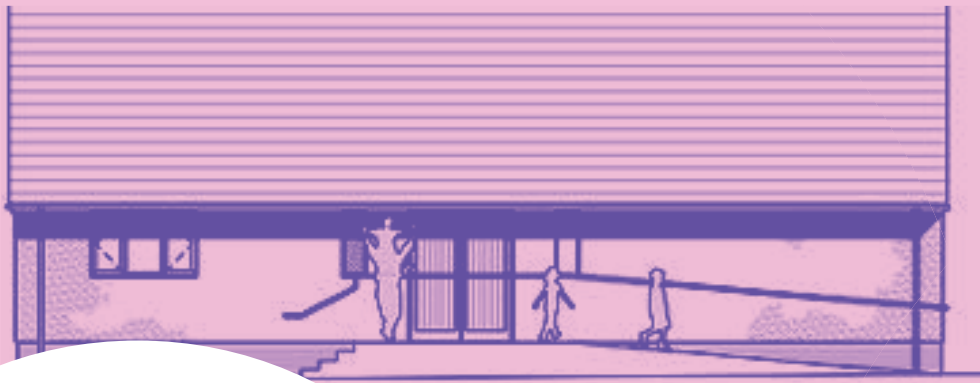

A woodland haven in a unique and beautiful location, purpose-built to give a base for our local community today and protection of the area for a future generation of Scouts and those interested in outdoor activities.

Our £175k challenge

We've made a good start raising the funds we needed to buy the land and demolish the old hut. The total amount we need to build a replacement hut which is safe, warm, and multi-purpose is £175,000.

The plans

A larger, safer, accessible space with all the facilities required to maximise the fun and activities of all the Scouts, Cubs and Beavers of the 1st Stonesfield Scout Group.

Timeline

1958

Living quarters at RAF Bicester dismantled, transported and re-erected at current site by the parent's committee. Many years of happy scouting follow.....

2010

The Scout Hut is acknowledged to be no longer fit for purpose due to poor condition

2018

The Scouts group, with the support and help of the Parish Council, finally purchases the land.

2019

November: Specialist demolition and removal of old scout hut due to presence of asbestos. Funded by years of fundraising activities and £4.5k bursary from Blenheim Charitable trust.

2019/20

Scout group activities continue with the support of temporary storage and space at Callow Farm, and Village Hall rental.

2021

Launch of the Stonesfield Scout Hut Fundraising Campaign. The Message Brick Appeal aims to raise £10,000. Grant applications to charitable organisations are being made.

Help us make history Buy a brick

Show your support by sponsoring one or more bricks in your own name, a company name - or simply write a message! By sponsoring a brick in the Donors Wall, you'll be helping to ensure a sustainable future for scouting in our community, and inspire younger people to value and enjoy our beautiful local area. Bricks can be bought using the enclosed form. Contact us on our email address for more copies!

Thank you!
